

SUPPLEMENTAL DECLARATION

As the below-named inventor, I hereby declare that:

My residence, mailing address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention entitled BIOLOGICAL SPECIMEN COLLECTION APPARATUS, the specification of which was filed as Application Serial Number 09/912,829 on July 25, 2001, and was amended by Amendments including an Examiner's Amendment which forms part of a Notice of Allowability dated June 30, 2004.

I hereby declare that the subject matter of those Amendments was part of my invention and was invented before the filing date of the subject Application.

I hereby state that I have reviewed and understand the contents of the above identified specification, including the claims, as amended by those Amendments.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application, or any patent issuing thereon.
